

We are hiring! The Department of Insurance is currently looking for Procedures Development Specialist II for the Division of Property & Casualty Insurance.

The Division of Property and Casualty Insurance is responsible for the review of rates, rules, and forms of all admitted property and casualty insurance companies. Operating in strict accordance with Kentucky's Insurance Code, the division consistently strives to provide a healthy, stable, and competitive marketplace while serving to protect Kentucky's consumers.

As a Procedures Development Specialist II you would provide expert assistance in the analysis of state laws and regulations to determine the impact on agency programs. Develops and implements operational policies and procedures for defining program effectiveness. Responds to complex inquiries regarding in-depth research of program policy. Writes and recommends operational procedures manuals and performs other duties as assigned.
